

Neighborhood Watch

Now there is a house ant
Another ant
are the small kind

Now there is a now there
are definitely a cluster
house ants

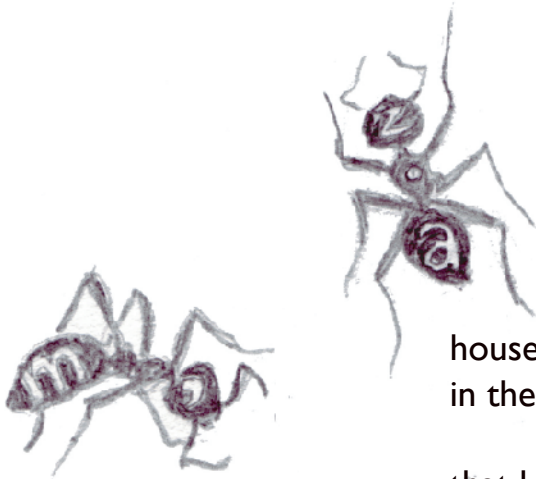

What is to be done
To be frank you must
the little red kind

to be frank you must
carry it back to your house ant

you must house ant
cluster another

it seemed were even more
they all came out to feed

house ants feeding
in the house

that kind and there
under there

They all came out
Now they're speaking frankly
