

Landing Under Water I See Roots

All the things we hide in water
hoping we won't see them go—
(forests growing under water
press against the ones we know)—
and they might have gone on growing
and they might now breathe above
everything I speak of sowing
(everything I try to love).

Poet **Annie Finch** is author of numerous books of poetry and poetics, most recently *Spells: New and Selected Poems*. She directs the Stonecoast MFA program.

Artist **Stacy Isenbarger** creates mixed-media drawings, sculpture, and installations. She teaches Art + Design at University of Idaho.
