Artist Undine Brod’s primary medium is clay. She has exhibited in the Pacific Northwest, New York, and internationally. View her work at www.undinebrod.com. Note: This is a “Responses” feature in which writers and artists respond to the 2015 Syrian Refugee Crisis. Here, we provide art and we invite you to write your own poems or stories in the space beneath Undine Brod’s sculpture. Photograph it and send it to us or share on social media: #ResponsesForSyrianRefugees
