

Rosoinen sana, rough word

Rosoinen sana in my throat - you stare at me like an angry hawk - haluaisin sanoa sinulle rosoisen sanan but all that is available is this language we have in common though your hawk face and my rosoinen sana speak the same rough love. Haukkani ota minulta tämä rosoinen sana raw with love as if I were a wolf whose howl you would not question, and I will take your hawk-heart.
