

Strong and Wise

I am a strong, wise, outgoing, native
Woman. That's what I want 2-be
Remembered by.

Not when you see me walking down the street with a pipe
In my mouth, or with my needle
Hanging out. Dripping brown liquid
& oozing clear.

Being loud, obnoxious, or
Kickin' ass with just
My mouthpiece, not even touched you
Yet with my hands or feet.

Yes . . . I will be remembered as a strong
Wise, outgoing, native woman.

Because this I know I'm
Capable of controlling.
